

His compassions never fail. We lack nothing because of Him. He is good. He is faithful. His mercies are new every morning. He will not leave us or forsake us. His plan is good for us. He keeps His promises. He is not surprised. He is strong when we are weak. He sustains and protects. He is sure. He is in control. He is faithful. He is steadfast. The limits are fixed by Him. His Word stands forever. He is our peace. He goes before us. He knows the outcome. He is in it with us. He is trustworthy. He loves us. He is our power. He is our hope. He never changes. He is light in the darkness. He is our Shepherd

HE IS HERE

He is drawing us near. He is sovereign. He is omnipresent. He is always victorious. He will not abandon us. He knows the number of our days. He provides all our needs. He is working. He is our rock. He is Abba. He is our great Physician. He is all knowing. He is for us. Fear doesn't come from Him. He has a purpose. He gives overflowing hope. He hears. We can be still and know Him. He will guide. He is using this all for His glory. He is Lord
